

Brisbane Regional Register News

Edition 30

September 2020

A message from the Cat Chat Compiler— It saddens me to see such a small version of Cat Chat. I nearly thought it was not worth publishing but reconsidered as it is a way to still feel connected with members whilst this crisis is occurring.

The committee has pretty much had their hands tied with the ever changing regulations. A very different year for the Jag Club members when comparing the previous few years when Cat Chat was growing to a bigger and bigger publication loaded with upcoming events.

Have no fear your committee is still here waiting for restrictions to be lifted to get on with the job of getting together.

Members of **The Jaguar Drivers Club of Queensland** are invited to an "Invitation Only" Charity Day on Sunday 27th September 2020 at Peak Crossing from 10am onwards hosted by the Jaguar Drivers Club of Qld.

Neil and Jenny Summerson will again generously open their property for this event with all funds raised going to The Rotary Club of Fassifern Valley.

This is a unique opportunity for invited car clubs to mix with other like minded car enthusiasts, without general public, to view a diverse range of vintage, classic and inspirational cars whilst supporting a great charity.

The Rotary Club food van will be serving refreshments and a bbq lunch at reasonable prices. Your support of their efforts is greatly appreciated.

A coffee van will also be available.

Entry fee at the gate will be a donation of \$25 per car.

Please RSVP before 31st July 2020 to:

Contact: **Tony Nelson**

Please help us keep this event exclusive by not disclosing date or details.

We thank members who have previously registered for this event. If you have received your confirmation email and we are allowed by our governments to create this event, you will be sent the information email in mid August. If we are not allowed, you will be the first to know.

Dear Brisbane Register Members—As you are definitely aware it has been a difficult year without most outings and functions as we try to keep up with Covid restrictions.

As you are also aware we had a very super first class Christmas Party in 2019 at the historic Belvedere Hotel at Woody Point—indeed a lovely venue with lovely views over Moreton Bay. The committee immediately booked this venue again for 2020 but now unfortunately they have notified us that all functions are cancelled for the remainder of the year due to Covid restrictions.

It has been decided by the committee to organise another venue for the party but it will be a less grand affair so that a last minute cancellation is not so critical if necessary.

Fortunately we have managed to secure a good venue with the Wynnum Manly Leagues Club at 92 Wondall Road, Manly West and the Leagues Club is working with us to provide a traditional Christmas luncheon in a pleasant function room. All looks good for a very nice event.

More details will be provided in the October Cat Chat. The event will be Saturday 28th November for Luncheon.

Kalinga Park Gathering

One very windy and blustery August Thursday, a group of JDCQ members from Brisbane decided their Jaguars would withstand the dusty breeze for a drive to meet up with some like-minded stalwarts at Kalinga Park.

The cars were duly parked after driving through some very impressive gates that certainly have some history. Who knew that Kalinga Park was originally Anzac Memorial Park and the elaborate entrance posts have inscribed marble panels that read "Erected by the residents of Kalinga and officially opened 23 October 1920" and "Erected in commemoration of those of the district who served in the Great War 1914-1919. Want to know more of its history? See https://en.wikipedia.org/wiki/Kalinga_Park

Seven Jaguar families arrived with their BYO morning tea and duly placed their chairs depending on the need for sun or shade. Exchanges of goodies aided the conversations and all agreed date scones with maple butter on top were hard to beat. Many topics of conversation were overheard and chairs were moved to follow the sun and/or the conversation topics. How great it was to hear how some of our Jaguar friends are handling the current limitations on our lifestyle and that an opportunity to socialise outdoors face to face was appreciated.
