Vale Derek McConnell

The Committee is sad to report the passing of Derek McConnell, a most valued member of our club on the 17th September 2017 after a long illness. Derek was a member of the JDCQ for a number of years as well as a member of the Triumph Owners Club. As a committee member he contributed greatly to our club's success, always ready to plan an interesting and detailed event, whether it was to travel down roads we had not been on before to some remote destination, or a visit to Bond University for lunch and an introduction to Indigenous Art and Architecture.

Our condolences go out to Dawn and her family.

It's That Time Again Nominations for the 2018 Committee

2017 has been a very successful year for the Gold Coast Register with great events taking us across parts of South East Queensland and Northern NSW and to a variety of restaurants, and thanks go to those members who have contributed in some way. We would like to continue this tradition into 2018. To do this we need an active committee to manage the club business and plan and carry out the various activities. Some of our members who have been on the committee for a number of years have decided to stand down for 2018.

Members are invited to put their name forward for a position on the committee for 2018. All positions become vacant at the end of the year and we welcome people that can contribute with new ideas for the new committee. Helping out in the club is rewarding experience and a great way to enjoy friendships with people of similar interests. Whether you wish to put in that little bit of extra effort and take a key position, or simply just help out as a member of the supporting committee who are asked to plan one event during the year, you would be welcome.

We had a strong support on the committee in 2017 from lady members and we hope this will continue.

Please contact Ron Gaudion on 5594 5205 before the November AGM, or see him at the November meeting and let him know your interest.

It's not hard and there are plenty of members to provide any guidance.
