CHAIRMAN'S WEEKEND AWAY TO STANTHORPE

On a sunny late winter's morning club members met up at the BP Coomera in anticipation of a fun weekend in the country. It was great to see some of our newer members joining us for the trip out to Stanthorpe. After Tom and Irene handed out a Jaguar bag of "goodies" and directions to all and Tom gave an overview of the first day's run we all jumped into our cars for a trip up the M1.

Turning on to the Logan Motorway and heading towards Ipswich our first stop was at the Peak Crossing Hotel for morning tea. There we met up with the Evers', Curtis's, and Dale Dimmack who had travelled directly from home. As we have found previously when we have stopped at Peak Crossing, the staff put on a sumptuous Devonshire Tea with fresh scones, jam and cream and tea or coffee. Those looking ahead limited their intake of scones (very few I would guess) as we were scheduled for a lunch at Warwick. We then hit the road again, making a hard left turn towards Harrisville and eventually making it onto the Cunningham Highway. It was then comfortable highway cruising through Aratula and up Cunningham's Gap to the junction with the New England Highway where we turned left to Warwick. Unfortunately, just outside of Warwick John Mason and Lorraine were stranded when their XJS suffered a catastrophic cooling system failure. Although able to make it to a garage there was no way repairs could be made. Although initially planning to continue in a hire car, this idea was abandoned and they were forced to have the car transported back to the gold Coast. Very bad luck indeed.

Reaching Warwick we settled into Jacqui's Café for lunch where we were joined by Robin and Valery Todd from the Darling Downs register. Robin is a past president of the club and joint Classic Monocoque Register Secretary. He also races a bright blue Austin Lancer. It was then on to Stanthorpe where we met up again at the Vines Motel. The motel brought back memories to us as the last time on a June Jaunt many years ago, an elderly member from Brisbane backed into one of the stanchions supporting the car park roof! Late afternoon we congregated in an open area where we had wine, cheese and other morsels prior to dinner. Dinner was at O'Mara's Hotel which was a short walk up town and a typical country pub with timber walls and high ceilings. We all enjoyed the comely atmosphere and good food. Then home to bed after a busy day.

Saturday started off with a hot breakfast in the motel dining room before heading off to the "Law Dogs" establishment a few kilometres away. This organisation trains dogs for security purposes as well as having a small plantation growing Truffles for market. We were given a talk on how they grow Truffles and the time taken for maturity (around five years), before watching a display of their dogs carrying out various commands including sniffing out hidden items and being used in a security role. Even our own Ruth Willmott contributed to the action! Then, just in case we were hungry it was off to the Jersey Girls Café for cheese and crusty bread. On arriving back at the motel, we met up with John and Genny Bramwell who were joining us for the remainder of the weekend. After a short rest, members joined a coach for a wine tour and tasting in the afternoon. Some of us left the tour early and made our way to the Stanthorpe RSL to start setting up for the evening's festivities. A separate room had been made available by the club and members did not have to move through the main club rooms to access our dinner venue. About half past six the first RSL shuttle bus picked up members for dinner. On arriving at the RSL one was greeted by Tom and Irene and Irene's sister Delma. The tables were beautifully set out with decorations and everyone was in a party mode wearing some form of fancy hat or fascinator. We also had set up a moving slide show of present and past members and events. The evening started with a welcome from Tom, followed table by table the selection of food from the buffet. Tom added spice to the evening with a string of funny stories and jokes. There was also much laughter and ragging when members saw themselves in a younger guise on the wall display of past events. Later in the evening ladies were asked to parade around the room while a member of staff assisted in selecting the best head piece. Gentlemen were then asked to do the same and there was much merriment, particularly at some of the ingenious hats male members wore. (cont. Page 5).

Chairman's Weekend Away to Stanthorpe (Cont.)

Judging being completed, four ladies and four gentlemen eventually selected as the winners. Tom then handed out prizes to the lucky members. The evening then continued with much convivial discussion before it was time to start back to the motel. The shuttle bus was waiting outside on cue to take the first group back to the motel and then returned later to pick up the remainder. Sunday was again bright and sunny and after breakfast we all gathered for the trip to Jamworks which was about 12Km south of Stanthorpe. On arrival we were shown into a closed off carpark by an officer from the constabulary (not sure why) and we parked the cars for a group photo shoot by Jamworks staff who were very happy to have us there. Members then spent some time looking around the shop and buying some of their products including jams, coffee and enormous ice cream cones. It was then time to hit the road home. Our thanks must go out to Tom and Irene Ross for all the work they put in, including a number of trips they made to the area to arrange everything. Thanks also goes to Genny Bramwell for table decorations, Lyn Evers and Chris Miers help on setting up and John and Marilyn Porter for the Jaguar items provided. I had the pleasure of sorting out old photos and providing the slide display. All in all a great weekend away. We have a terrific Register and I encourage members to contribute to its ongoing success.
