Resignation

It is with regret Tom Ross has tendered his resignation from his position as Chairman of the Gold Coast Register due to ill health. Tom became ill over the Christmas break and has advised he would not be able to carry on in the role. Irene Ross has also tendered her resignation as Register Secretary. Tom and Irene have both contributed greatly to the club over the years and we hope this is only a temporary setback.

As Chairman and Secretary are important to the running of our Register, club members are requested to consider putting their name forward as a matter of urgency for these two roles. Nominations will be taken at the January meeting.
