Australia Day 2021 at the Porters

This year John and Marilyn Porter kindly hosted the Australia Day celebration at their property in Maudsland. A small group of members got together the previous Sunday to set up the Gazebos and tables before the big day and plan the layout for the Jaguars in the show and shine. On the day we had to modify our layout slightly as 18mm of rain had fallen the previous evening which made the ground on the slopes a bit soft. The day however turned out perfect, sunny and warm and members started arriving just after 9am. About 46 members attended with a few having to cancel for various reasons. Those driving Jaguars were asked to park on the back lawn for later judging while non-Jaguars were exiled to the street and front lawn.

There was a great range of Jaguars on show including XJs, XEs and XFs, XKR's, a D Type, E and F Types and a Mk2. It was great to see some newer members enjoying the day and they took the advantage of gaining information on the Jaguar marque and their cars in particular. Morning tea was served almost immediately by a dedicated team of lady members (all with face masks and gloves) from a selection of cakes supplied by members, together with tea or coffee. Much discussion was had between members on a whole range of subjects and this was followed by a quiz prepared by John and Marilyn on Australian history and geography (which was a little embarrassing to some) before the boys flashed up the BBQ and we had lunch. There was an enormous choice of salads and pies to go with the sausages and shish kebabs and this was followed by a selection of desserts. After lunch the judging committee inspected the Jaguars on show, but there being so little to differentiate between cars as all were in top condition, the award system was modified. Those cars flying a flag were awarded a gong while the best car on show was drawn out of a hat. The top award was a new perpetual trophy organised by David Willmott. Following the awards a vote of thanks was given to our hosts John and Marilyn. The success of the day was due to not only John and Marilyn but to all the ladies who spent most of the day preparing and serving food, to the men cooking on the barbeque and to those who helped set up and dismantle the gazebos, chairs and tables.

A BIG THANK YOU TO ALL. It was a great day!

Note: A pair of gents sunglasses and a pair of fold up chairs were left after the Australia day celebration. Please contact the Porters on 0411 119844.
