March Run to Brouhaha Maleny

Organised by Joe and Margaret Day

A glorious Autumn Day saw 25 members and the Morgan Club President Clive Boyle greet each other at Landsborough before following Joe and Margaret on a picturesque drive through Peachester, Booroobin and Reesville to Maleny. We seemed to have a stunning range of cars—especially the shiny red and cobalt blue cars which would have made any car lover's eyes fill with joy. The convoy amazingly didn't lose anyone and all ditches were skilfully missed as we climbed in and out and round and about so that we had time to stop at Howells Knob Lookout for a magnificent rural view towards the Conondale Range.

Members keenly sampled the brewery's beer on arrival before enjoying our pre-ordered lunches, ably guided by Margaret. Most of all we attend for the chatter and company of fellow members which was there in abundance this event.

Colin and Lyn Pickering found the tasting tray a delightful way to sample a selection of the brews available at Brouhaha.

Our thanks to Joe and Margaret for organising a fun day.

A beautiful example of a 4.2 XK.

I have it on good authority from owner Peter Lehrke that the number plate stands for **Fantastically Fast F-type** (or similar).

March Run to Brouhaha Maleny (cont.)

This beautiful example of an AXK150 enjoying being the subject of much adoration.

It was a beautiful day to have the top down to enjoy our Queensland weather.

The March event was shared with the President of the Morgan Club,
Thank you Joe and Marg Day for organising this event for us. The bonhomie of our members ensures we always have a good time, doesn't it?
