

CATS' TALETS February, 2016

The trip to Gardners Falls

Our February run was to Gardners Falls near Maleny. Our first stop for morning tea was at Lemon Park in Landsborough which is a pleasant enough place to meet. Although numerically we were down we made up for it in quality!! It was, unfortunately, a rather inclement morning and this would have accounted for the low attendance, however, the weather improved during the day to quite a pleasant day.

Present were Bob and Sherril Lewis, who did the organising, Tony Herald, Ray and Jill Judd, John and Debbie Herbert, Barry and Lin Shaw.

BRISBANE REGISTER INVITATION

The following is an invitation to the Brisbane Register members for a special mid-week run. They have kindly requested that the invitation be extended to Sunshine Coast members.

Hello all Brisbane Register Members and families.

Those of you who are retired and looking for a mid-week run in your Jaguars, this is your opportunity! Two of our newer members, Charlie and Sandy, have organised this run, so hopefully it will be well supported, despite the short notice.

Here's what they say :

This event will take you from the “burbs” to the beach. Like your yacht “it’s as much about the journey as the destination”. The roads are all good bitumen. Consider digging out the stringbacks from wherever they are currently hiding. Your steed will enjoy the experience, as much as you, with plenty of opportunities to explore the other side of the “J gate”. If you are familiar with the roads skirting Lake Samsonvale, we are both on the same page. We are however using one road along the way, a realignment, that we hope will cause an extra smile or two! All this fun then we arrive at a BYO lunch venue, with well-priced food, right on the beach, with plenty of parking where you can keep an eye on your cat. What’s not to love?

The lunch venue is the “Sea Salt and Vine Café located at Reef Point esplanade Scarborough. This is the website which includes their standard menu which we will be using. I understand that the BYO licence is wine only. <http://seasaltandvine.com.au/>

We need your RSVP any time from now with names of participants and any particular diet requirements. Please email charlieprovis@gmail.com or phone 0419011399.

These are the details:

Date - Wednesday 2 March 2016

Meeting place - Roy Harvey Park at Stafford <http://www.brisparks.com.au/qld/stafford/roy-harvey-park>

.Covered table and toilets available, parking on site.

Charlie and Sandy will attend the start early to hopefully secure the table for those wanting a morning coffee before starting the event

Start time - 10:00am for 10:15am (There are no plans for coffee stops during the event)

The run - approximately 80 kilometres 1.5 hours; directions sheet will be handed out on the day; there will be a lead car and a “tail end” car too with contact details on the directions sheet.

RSVP – by 6pm on Tuesday 01/03/2016 to charlieprovis@gmail.com, 0419011399. Please advise any dietary requirements too.

Sounds like a great run, and many thanks to Charlie and Sandy for organising it.

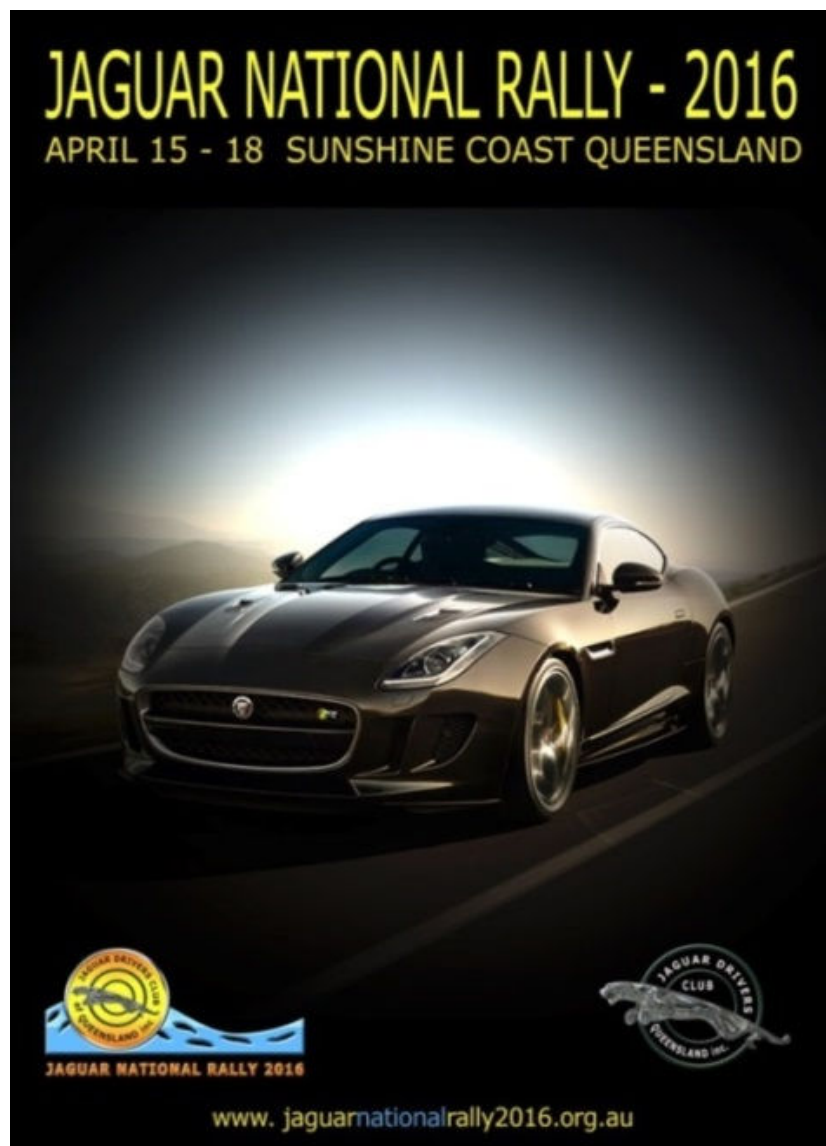

Hope to see a number of you then.

On behalf of Brisbane Register Committee for 2016!
