December 2021

A busy couple of months have been and gone! Just like that Covid is running riot as the Southerners flood back in, and we are all starting to get used to a new normal, like it or not. No more Jag runs for 2021, this year has really flown by. A shorter version of the newsletter this time as we get into the swing of it all...

SO, WHAT'S BEEN HAPPENING?

Our November run was our planning meeting to Woodgate, we had our morning tea at Walkers point. Plans for the year ahead were discussed and made and our AGM was held. A new committee was elected. We then went on to a nice lunch at the Bowls Club where we are always made feel welcome. Another great day out.

Our Christmas Run/Party was at the Carriers Arms in Maryborough. The out of town members stayed the night but others came in for dinner as they live locally. Toni and I travelled up in the little Mazda as Percy our Mk1 had dirty spark plugs and did not want to run at all...

Our Secret Santa was really good again this year as were the raffle prizes. A big thanks to Sandy and Josie for once again organizing this for us, it is as always greatly appreciated.

Dinner was really good, as was the company. The quizzes kept us all guessing!

The next day most members met up again for Breakfast/Brunch/morning tea at Arkarra gardens and then home from there. A wonderful weekend spent with friendly, lovely people.

PRESIDENTS AWARDS

Every year at our Christmas party Arthur gives out the Presidents awards to those members who have excelled during the past year.

This year Sandy Hillyard was named "Volunteer of the Year", as Sandy sells our raffles, arranges prizes and is now stepping into the role of secretary.

Bill Buckley was given a "Club Dedication Award" for his many years of service to our register. Lee accepted the award on his behalf as Bill was still in Hospital. It was taken to him and presented the next day, amid a few tears and hugs.

Peter Carlson was given his 40th year membership badge.

Paul and Josie Mittelheuser were awarded "Badges of Merit" by our register for their life long service and dedication to the club. (ED note: In this writers view I think we need to keep pushing for life membership for them both)

Congratulations to everyone!
