And Then:

- 1400 (2pm) Drive to Mathema Gallery (about 6K's) for all things mathematical on display.

Entry is free but donations are appreciated. The Gallery closes at 4pm, so there should be no need to hurry. The world resolves to, and can be represented by, mathematics. This is a chance to see the interconnections.

Please RSVP by 13<sup>th</sup> September to Tony Brett [tobr@bigpond.net.au](mailto:tobr@bigpond.net.au) or call or leave a message on 0404 804 952

Total run distance is around 76k, through some varied an interesting scenery. As noted before the views from Pit Stop are pretty spectacular.
