CLUB DETAILS

Members

At the next Annual General Meeting, Chairperson Di Cooper, Vice Chair David Willmott and Secretary Debbie Duncan will be standing down and will not renominate. They have given much of their time over the years to the club and should be applauded for this effort. If the Register is to continue, we need to fill these positions for 2025. One member has indicated he is willing to become the new Vice Chairman, but we still need two other members to step up. Please consider taking up one of these roles.

A Help to the Treasurer

If an event requires up front payment, members are requested to add their initial and surname before any description of the event when they transfer the funds into the club account (shown on page 7). The club bank statement has limited text and situations have occurred where the Treasurer could not identify who had made a payment.

As a courtesy, members are requested to advise the organiser of an event ASAP if:

1. They are planning to attend an event but have not provided previous notice of this; or
2. They are not able to attend the event when previously advised they will be attending.

Members are also requested to make any booking through the organiser and not through the venue.
