Members Talk - "A Life"

Debbie Duncan nee Golding continued the new segment at the last minute without any preparation. Born in London in the United Kingdom, she met Steve Duncan on the 18th December 1983, became engaged on the 14th January 1984 and married on the 23 February 1984, before moving to Australia on the 5 March 1984, some 40 years ago. Melbourne was the destination and she became an Australian Citizen in 1986.

They then moved to Sydney (retaining their Carlton support) where she worked for Macquarie Bank (12 years in total), before then moving onto Brisbane for 15 years, and then the Gold Coast in 2001. Debbie's background is in personnel and event management – a heady combination!

Living on the Gold Coast brought the opportunity of buying a Jaguar as both she and Steve were very keen, as had been her father back in England. They had one each and now have just the one. Steve is a psychologist for 2 clinics and she runs the practice and has for many years.

Joining the Jaguar Club has been the best thing, opening up social situations and making many friends, with weekend events, etc. She thinks the Gold Coast Register is the best in Queensland and it is the support by the people in the Club that make it successful. She is sorry she has to cease her Secretarial role which she has presided over for 17 years, but work is currently overwhelming.

Robin Kup-Ferroth will speak in 2 months time.

(footnote from Scribe: Prime-Minister Hawke reduced the Citizenship waiting period from 5 to 1 year).

Thanks to Lloy and Diana for supper provided and to Gary for the video and audio.

Meeting closed at 7.51pm (22 attended in total).

Debbie Duncan
Secretary.

Members

At the next Annual General Meeting, Chairperson Di Cooper, Vice Chair David Willmott and Secretary Debbie Duncan will be standing down and will not renominate. They have given much of their time over the years to the club and should be applauded for this effort. If the Register is to continue, we need to fill these positions for 2025. One member has indicated he is willing to become the new Vice Chairman, but we still need two other members to step up. Please consider taking up one of these roles.
