## Members

The Gold Coast Register has always provided a good range of events for members, and this is down to the efforts of the committee and helpers. At the next General Meeting, Chairperson Di Cooper, Vice Chair David Willmott and Secretary Debbie Duncan will be standing down and will not renominate. They have given much of their time over the years to the club and should be applauded for this effort.

If the Register is to continue, we need to fill these positions for 2025. Members are urged to consider putting their name forward to stand for one of these positions. Please feel free to contact the above members for more information on the roles.
